

Board Member – Invitation to apply

Association for Services to Torture and Trauma Survivors (ASeTTS) is Western Australia's sole provider of counselling and support services to survivors of torture and trauma.

ASeTTS works within a human rights and social justice framework to help heal individuals, families and communities. We are part of a national network of organisations undertaking this work, funded primarily by the Commonwealth Government, in line with Australia's international treaty commitments and obligations.

ASeTTS is inviting applications to join the Association's Board from people who:

- live in Western Australian,
- support Australia's refugee and asylum seeker settlement and support programs,
- want to contribute to the recovery of survivors of torture and trauma,
- are able to bring lived, professional or expert skills or experiences to a Board with responsibility for the governance and leadership of ASeTTS' services,
- able to be active on at least one committee.

ASeTTS needs a culturally diverse Board made up of people with a range of personal and professional experiences. Previous experience on a Board is not essential, but is preferred.

For more information contact our Executive Assistant, Tracy Worthington, on (08) 9227 2700. Applications can be made to executive@asetts.org.au.
